NORTH COAST RESOURCE PARTNERSHIP

Seeking Forest Advisors, Technical Consultants & Demonstration Projects

The [North Coast Resource Partnership](#) (NCRP) was awarded \$4.25 million in funding from the California Natural Resources Agency and Department of Conservation for planning and the identification and implementation of local and regional projects to improve forest health and increase fire resiliency. The [Regional Forest and Fire Capacity Program](#) aims to help communities prioritize, develop, and implement projects strengthen fire resiliency, increase carbon sequestration, and facilitate greenhouse gas reductions.

The NCRP seeks proposals from eligible North Coast entities to assist in the development of a Regional Priority Plan that will include a comprehensive and integrated set of strategies, actions and projects to support forest, watershed and community health and long-term resilience to wildfire. Applicants are encouraged to submit one or multiple proposals according to the requirements listed for the following proposal types:

- [Tribal and County Forest Advisors – Request for Letters of Interest](#)
- [Forest Health and Fire Management Consultant Services – Request for Qualifications/Proposals](#)
- [Demonstration Projects and Processes – Request for Concept Proposals](#)

The deadline for submission of all proposals is March 13, 2020.
