If monthly System Availability (as defined below) falls below 99.9%, Netsmart will provide a credit against the Client’s next monthly recurring hosting or Software Services fees to account for the downtime. The appropriate credit percentage (%) will be determined based on the following table.

System Uptime %	Credit %

3. System Availability Calculation

- a) Netsmart will calculate System Availability as set forth below for each month during the Term.
- b) System Availability will be calculated as follows (and will be rounded to up to the next one tenth of a percentage point):

$$\text{“System Availability”} = [(\text{Base Time} - \text{Unscheduled Downtime}) / (\text{Base Time})] \times 100$$

“Base Time” equals the product of the number of days in the applicable month times 24 hours times 60 minutes.

“Unscheduled Downtime” equals the time (in minutes) during which the production system is not operational (excluding “Scheduled Downtime”) from the hosting facility internet connection based on the measuring methodology documented below.

“Scheduled Downtime” equals the aggregate total of all minutes of planned and scheduled maintenance performed during the month to perform any necessary hardware, operating system, network, database, application software maintenance, repair, upgrades, and updates. Netsmart will work with Client to determine and use commercially reasonable efforts to schedule downtime after regular business hours, during times that minimize the disruption to operations. The amount of scheduled downtime may vary from month to month depending on the level of change to the system such as the project implementation phase, adding new products, upgrading products, etc.

- c) Client is permitted to audit Unscheduled Downtime based on the methodology established below. Netsmart agrees to cooperate with Client in connection with any audit of Unscheduled Downtime. This audit must take place within 30 days of the month end.
- d) Netsmart recommends that Client implement, on a timely basis, the Service Packages that will be provided to Client by Netsmart on a periodic basis. Netsmart will advise Client on Service Packages that may enhance performance and availability and will advise Client of the advantages of implementing the Service Packages as

well as the implication of electing not to implement the Service Packages. Netsmart will perform the technical requirements needed for Client to use the Service Packages that Client elects to implement, at no additional charge and as part of the recurring SaaS/Hosting fees. Client and Netsmart will work together to establish a mutually agreeable implementation schedule for the Service Packages. Upon notice to Client that the system's performance and availability will be adversely affected if Client elects not to implement a Service Package, Client will waive any credits set forth above, until such time as Client performs its obligations as necessary to implement the required Service Packages.

- e) Client must allow Netsmart to implement the latest Netsmart supported layered software version (i.e. OS, DBMS, etc.) and patches within six (6) months of the general support announcement from Netsmart. Netsmart will advise Client regarding the layered software enhancements as well as the implications of electing not to implement the layered software enhancements. Netsmart will perform the technical requirements needed for Client to use the layered software enhancements that Client elects to implement as part of the fees. Client and Netsmart will work together to establish an implementation schedule for the layered software enhancements. If Netsmart provides notice to Client that the system's performance and availability will be adversely affected if Client elects not to implement the layered software enhancements, Client waives its right to any credits set forth above until Client implements the required layered software enhancements.
- f) If Client is operating beyond the Scope of Use limits, Client waives its right to any credits set forth above until Client is in compliance with Scope of Use.
- g) During a System Stabilization Period, changes to the System may be required to achieve optimal performance and Unscheduled Downtime or Scheduled Downtime minutes do not apply.

4. Exceptions

Client shall not receive any credits under this Schedule in connection with any failure or deficiency of System Availability caused or associated with:

- a. an event of Force Majeure;
 - b. Failure of access circuits to the Netsmart network, unless such failure is caused solely by Netsmart;
 - c. Scheduled maintenance, scheduled backups, scheduled restores and emergency maintenance and upgrades;
 - d. Issues with FTP, POP, or SMTP Client access;

 - f. E-mail or webmail delivery and transmission;
 - g. Outages elsewhere on the Internet that hinder access to your account. Netsmart is not responsible for browser or DNS caching that may make your site appear inaccessible when others can still access it. Netsmart will guarantee only those areas considered under the control of Netsmart: Netsmart server links to the Internet, Netsmart's routers, and Netsmart's servers; and
 - h. Use of a VPN or similar connection which is not exclusively within Netsmart's control at both ends of such connection, and where the problem occurs in the part of the VPN which is not under Netsmart's control.
5. **Scheduled Maintenance.** Netsmart reserves the right to establish a monthly maintenance window for the purpose of upgrading, patching, modifying, and repairing portions or the entire cloud computing environment. The monthly window is generally scheduled on the 3rd Sunday of the month, from 2:00AM – 5:30AM EST.

6. Credit Request and Payment Procedures.

In order to receive a credit, Client must submit a request for credit to Netsmart Accounting at AR@ntst.com, within thirty (30) days after the incident supporting the request. Each request must include Client's account

number (per Netsmart's invoice) and the dates and times of the unavailability of the services. If the unavailability is confirmed by Netsmart as an incident eligible for credit, credits will be applied within two billing cycles after Netsmart's receipt of Client's request. Credits are not refundable and can be used only towards future billing fees.

Notwithstanding anything to the contrary herein, the total amount credited to Client in a particular month under this Schedule cannot exceed the total SaaS or Hosting fees paid by Client for the month in which Services were impacted. Credits are exclusive of any applicable taxes charged to Client or collected by Netsmart and are Client's sole and exclusive remedy with respect to any failure or deficiency in level of services described in this Schedule if Client applied for and received a credit. Nothing in this Schedule precludes Client from pursuing an alternate contract remedy for any future incident that may occur.

TERMS AND TERMINATION

Term. This Agreement shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Article 4. Certain provisions and requirements of this Agreement shall survive its expiration or other termination as set forth in Section 5.1 herein.

Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

MISCELLANEOUS

The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.
