ADDENDUM

8. Location of festival is 50350 Highway 101 in Laytonville, approximately 3.5 mile south of the intersection of Spy Rock Rd. and Highway 101. Assessors parcel numbers 013-570-48, 013-560-47, 013-560-46

9. Festival will take place Thursday, Friday, Saturday, Sunday, June 22-25, 2017, 10AM to 10PM Thursday. 10AM to 2AM Friday & Saturday, 10AM to 12PM Sunday.

10. We expect about 3000 to 4000 to attend this year, with approximately 350 staff and performers included in that number.

11. Give detailed explanation of the applicants plan for policing the activity with particular emphasis on the control and prevention of alcohol and drug consumption:

Our plan was developed several years ago in conjunction with the Mendocino County Sheriff Department. It will include approximately 25 paid security and over 150 volunteers. We will provide 24 hr monitoring of the campground and will be proactive in the discouragement of drug or alcohol use. In the concert area we will also provide monitors and we will limit alcohol consumption to over 21 year olds. We also have a no in and out policy in the campground eliminating anyone from going back into town to restock their personal beer supply. We will be providing each camper with a program listing the rules for the campground, which will include a section regarding the use of alcohol and drugs.

12. I have contacted the Department of Planning and Building and will comply with all requirements.

13. I have contacted the Department of Environmental Health and will comply with all requirements.

14. Letters of permitting:

I have contacted the Environmental Health and Sheriff Departments and am working with them on letters of approval. They will be forthcoming.

15. Written explanation of implementation of waste reduction, reuse, recycling and diversion programs:

This is to let you know that we have an extensive recycling program in effect at Black Oak Ranch. Each location where there is a garbage can we also have a mixed recycling can. As the cans get emptied we further check all garbage bags, facilitated by using clear plastic bags, for recyclables that have gotten mixed in with garbage. We require all vendors to use composting cups, plates, and flat wear. We place all recyclables in dumpsters provided by Willits Solid Waste for this purpose. No polystyrene containers allowed! In recent years although our crowd size has increased, we have been able to send less garbage to the land fill and more recycling to the recyclers.

16. Provide detailed information on the following areas:

a. Security Protection:

Provided by In House security services. We will have approximately 25 paid security and 150 volunteer security on hand throughout the weekend.

b. Water Supply:

In our campground and concert area we have 9 water tanks that will be filled as needed by our own water delivery service using water from the Laytonville County Water District bulk sales outlet.

c. Food Supply:

Individual food vendors will provide food service for patrons. They will be required to obtain Mendocino County Health Department permits.

d. Sanitation facilities:

Portable toilets, including disabled units and hand wash stations, all in numbers exceeding county requirements, both in the campground and in the concert area will be provided by B & B Portable Toilets. B & B also provides a pumper truck with crew on standby at the event throughout the weekend.

e. Medical Facilities and Services:

The Haight Ashbury Medical Clinic's Rock Medicine will be providing our medical station. It will be located in the concert area next to the entrance. There will be a doctor, nurses, and a full contingent of volunteer staff on duty 24 hr's a day. The Director of Rock Medicine is Gordon Oldham, and he can be reached at 415-487-3680.

f. Vehicle parking space:

Day parking will be in a lot directly adjacent to the entrance from Highway 101. We will have a parking crew on hand to direct each vehicle into a space. Fire aisles will be maintained at 18' throughout the parking area. Campers will be allowed to park their vehicle in the campground and camp next to their vehicle.

Once inside, vehicles will not be allowed to leave and return. We will have security monitoring the camping and parking lots throughout the weekend.

g. On-site traffic control and vehicle access:

The CHP has agreed to allow our traffic contractor to provide traffic control at the entrance to our camping/parking lots from Highway 101. Once inside, our parking crew will direct cars to their parking spots. There will be a clearly marked system of fire lanes throughout our camping and parking areas.

h. Plans for spectators remaining overnight:

People will be allowed to camp overnight. They can camp with their vehicle, or they can pitch a tent in one of our tent only camping areas. There will be a separate Family Camping Area adjacent to the main camp, but separated by a fence, for those people with small children.

i. Camping Facilities:

We will provide toilets, drinking water, food service, cleanup, fire protection, medical facility, and security throughout the weekend.

j. Illumination of premises:

We will provide generators with light strands to illuminate the main pathways in the campground. We will also provide flood lights at our highway entrance and box office, and individual lanterns to remote security posts.

k. Cleanup of premises:

We have a cleanup crew that will be responsible for emptying our 65 50 gal. drums and for picking up any trash anywhere in our facility. They will distribute garbage bags to each campsite and pickup full ones. They will also be recycling all cans and bottles as they pick up the entire area after the event.

l. Rubbish removal:

Willits Solid Waste will provide dumpsters that will be emptied at the end of the event for both garbage and recycling.

m. Plans for handling larger number of overnight spectators than are expected:

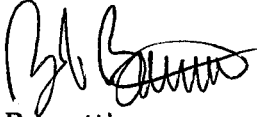

We will have signs available to put on the Highway in case of a sellout that will tell people that the event is full. If event sells out in advance we will provide negative advertising on the local radio stations telling people not to come without an advance ticket. We can also have them make this announcement during the weekend if we sellout at the door.
