Subject: Proposed changes to cannabis regs

Hello members of the Board of Supervisors

My name is Mario Dejuan, I am a long time resident and permitted cannabis cultivator in Mendocino County.

Recently I heard that the board was considering changing the minimum acreage for a cannabis nursery from 10 acres to 5 acres,

I would like to voice my support for that proposed change. In the past I have felt that it was unfair and unnecessary for a nursery not to be allowed on parcels under 10 acres. I feel that Mendocino county should continue to facilitate when ever it can to create economic opportunities for its residents,

Which in turn helps to make to local economy more resilient.

Thanks for your hard work and consideration.

Mario Dejuan
