Hello- I am also in full support of the Cultivation Amnesty. Building the plane while we fly it had proven to be the small farm killer we feared. Mendocino County relies on cannabis for its thriving economy. We will lose our chance to have small heritage cannabis farmers remain the base of our economy here if we don't do something to help them. Please vote yes and consider this great option to give more farms a chance to step up to the plate and participate.

Thank you-
