Subject: Support for the Development of an Amnesty Transition Pathway for Existing Cannabis Cultivation

Hello-

We wish to voice our support for the Development of an Amnesty Transition Pathway for Existing Cannabis Cultivation. Existing cultivators deserve to be treated with standards of humanity, equity and opportunity. We fully support and agree with the memo from the Mendocino Cannabis Alliance and ask that the Board of Supervisors vote 'yes' on developing this program.

Sincerely,

Roger Wheeler

Owner, Sanel Highlands

Mendocino Cannabis Alliance member
