

Road Vacation Petition No. 19-01
(Official Use Only)

Honorable Board of Supervisors
Mendocino County Courthouse
Ukiah, CA 95482

Honorable Board:

We, the undersigned, representing at least ten (10) Freeholders within the Road District served by the County Highway known locally as Rd E [PRINT OR TYPE] and located in the vicinity of Redwood Valley [NEAREST TOWN OR AREA] in Mendocino County, do hereby petition your Honorable Board to consider our request for vacation of that portion of CR 233 [ROAD NO.], Rd E [OFFICIAL COUNTY ROAD NAME] between milepost _____ and milepost _____ as shown on the attached drawing.

We do hereby certify that the first ten (10) signatures are those of freeholders in the County of Mendocino and are taxable therein for County Highway Purposes.

We understand that the applicable procedures, as set forth in the Streets and Highways Code and Board policy, must be followed in this matter and are prepared to make any deposits that may be required pursuant to Section 8321 of the Streets and Highways Code.

We petition for vacation of this road and state that it is unnecessary for present or prospective public use for the following specific reasons [PLEASE STATE SPECIFIC REASONS]:

Currently property has an easement for use as
our private driveway, driveway does not go to
any other land owners.

The minor piece that we are asking County to
vacation has been maintained by self, county does
not maintain trash, trees, landscape, fire prevention
or etc. on the piece. Land does not hold any
utilities. County has never used or maintained lot.

I ask that county please consider vacation the piece so
that we may continue to maintain this piece and eventually
one day we are in hopes to pave the driveway and fence lot in full.

Please direct any and all future correspondence regarding this matter to [PLEASE TYPE OR PRINT ONLY]:
