Mendocino County Board of Supervisors
501 Low Gap Road, Room 1010
Ukiah, CA 95482

RE: ADOPTION OF RESOLUTION AUTHORIZING DEPARTMENT OF TRANSPORTATION TO ADVERTISE FOR BIDS AND AWARD DEPARTMENT OF TRANSPORTATION CONTRACT NUMBER 200002 TO PERFORM A 2020 CORRECTIVE/PREVENTATIVE MAINTENANCE PROJECT ON VARIOUS COUNTY MAINTAINED ROADS AT AN ESTIMATED COST OF \$5,500,000 (FORT BRAGG AREA)

Honorable Board Members:

This Mendocino County Department of Transportation (MCDOT) Contract Number (No.) 200002 will provide for road pavement preservation treatment of a Double Chip Seal on the following County Roads (CR):

Road Name	From Milepost (MP)	To MP	Length in Miles	Pavement Condition Index	Average Daily Traffic
Flynn Creek Road, CR 135	0.00	8.97	8.97	38	268
Albion Little River Road, CR 403	0.00	3.19	3.19	49	204
Comptche Ukiah Road, CR 223	0.00	10.00	10.00	73	1,152

Contract No. 200002 will also provide for road pavement corrective treatment of a Full Depth Reclamation on various sections of the following County Roads prior to a Double Chip Seal:

Road Name	From MP	To MP	Length in Miles	Pavement Condition Index	Average Daily Traffic
Flynn Creek Road, CR 135	0.00	8.97	8.97	38	268
Albion Little River Road, CR 403	0.00	3.19	3.19	49	204

This project is to be funded through Senate Bill 1: The Road Repair and Accountability Act of 2017, and Road Maintenance and Rehabilitation Account funds. The Department will not exceed funding available.

MCDOT intends to advertise for bids and have this project completed this calendar year. MCDOT will prepare construction plans, specifications, estimates and contract documents, advertise and award a County contract, and coordinate the project with the other governmental agencies.

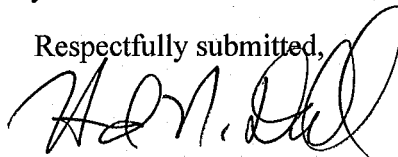

I recommend and request that the Board authorize and direct the Director of Transportation to advertise for construction bids and to award a MCDOT contract, up to \$5.5M, to perform the 2020 Corrective/Preventative Maintenance Project on Various County Maintained Roads. Total distance to be treated is estimated to be 22.16 miles, but the distance treated could be adjusted depending on bids received. If needed, reductions in miles of roadway treated will be made.

The Director is also making an Assembly Bill 720 declaration, that MCDOT crews will do approximately \$750,000 in preparation (dig outs) and pavement marking for this corrective maintenance project (MCDOT Contract No. 200002), as well as, additional crew efforts this year on corrective maintenance.

Department of Transportation staff personnel have prepared a draft Resolution which provides said authorization for the Board's consideration and adoption.

I will, of course, respond to any questions that you may have.

Respectfully submitted,

HOWARD N. DASHIELL
Director of Transportation
