RE: AUTHORIZATION OF A ONE-DAY ROAD CLOSURE OF A PORTION OF OLD RIVER ROAD, COUNTY ROAD 201, FROM GIELOW LANE, COUNTY ROAD 206, TO RUDDICK CUNNINGHAM ROAD, COUNTY ROAD 205, FOR THE TEMPORARY USE OF A CRANE ON OLD RIVER ROAD TO REMOVE A LARGE LIVE OAK TREE ON THE PROPERTY OF 3321 OLD RIVER ROAD (TALMAGE AREA)

Honorable Board Members:

Family Tree Service is requesting a one-day road closure to allow for the removal of a live oak tree on private property. The date has yet to be determined. Once date is determined, Mendocino County Department of Transportation shall be notified at least 48 hours in advance of the road closure. This road closure will be from 7A.M. to 7 P.M. including set-up. Both lanes will be closed to public traffic. The applicant has submitted a detour plan using Gielow Lane and Ruddick Cunningham Road as an alternate route. The applicant will provide the necessary signs and flagger(s) for traffic control. Local traffic access will be given to adjacent property owners.

Family Tree Service will be responsible for contacting all local authorities and emergency service providers to notify them of the closure at least 48 hours in advance of the road closure. They will also place Changeable Message Signs (CMS) 48 hours in advance to notify the public of the closure.

Along with their request, the applicant has submitted a copy of their certificate of liability insurance showing the County of Mendocino as an additionally insured. An encroachment permit will be obtained to perform work within Mendocino County Right of Way.

I will, of course, respond to any questions the Board may have.

Respectfully submitted,

HOWARD N. DASHIELL
Director of Transportation
