Re: Museum Advisory Board

Honorable Board Members:

Please consider this letter as my resignation from the Mendocino County Museum Advisory Board. I am no longer a Board member of the Mendocino County Historical Society therefore I have no authority from that Board to occupy the seat that is allocated to the Society.

The new Cultural Services Agency is up and running very well and the Museum is undergoing many favorable changes as a result of this reorganization. Karen Horner, as Director and her professional staff are doing a remarkable job which leaves the Museum in good hands.

I appreciate the confidence you had in appointing me to the MAB and I'm sure that the MCHS will have a dedicated member that will be applying for the vacancy soon.

Sincerely,

A handwritten signature in black ink that reads "Roger D. Krueger". The signature is written in a cursive, flowing style.
