

Please consider relaxing the constraints on our county golf courses. If applied with direction from you, golfers can adhere to spacial distancing. No two individuals riding in the same cart, no flags on the greens, no practice range balls or hitting on the practice range or practice on putting greens. Respect your partners by using the 6 foot distancing from each other. Masks or other coverings could be requested also by you.

Please review these points and let us get out there and play the game we love with obvious considerations.

Thank you, Bruce Woodruff  
Member and LR Mens Club V.P.
