

Dear Supervisors,

I am writing today to voice a concern re: Shelter in Place orders.

I live within 1/4 mile of Jackson State Forest and walk in my neighborhood.

Because the Coastal Trail is closed, folks are streaming up to JDSF with their bikes and dogs - big time.

Many afternoons there are 10-12 cars/trucks parked there at the opening of the forest (where the scales used to be).

A lot of them go on the trail there or on the roads. It's like the Coastal Trail has moved locations.

This, of course, is not State Parks, but CDF's jurisdiction.

I am not sure what can be done or how but I wanted to bring it to your attention.

Thank you so much,

Camille Parsons
