

Hello Board of Supervisors,

I'm writing in support of Dr. Doohan's tireless commitment to the health of Mendocino county.

I am completely in support of her working remotely and modeling social distancing in the workplace.

I am grateful for her work.

I would be thrilled if we could find a supply line to increase testing for COVID-19 and increase PPE for our clinic and hospital workers, but I am aware these same issues exist across the world and I realize how lucky we are to be in a remote area.

Please continue to support efforts to keep this county Covid-free, including specifically addressing management of travel to second homes or Vacation Rentals on the North Coast. I recommend blackout dates on VRBO and Airbnb to correspond with the Shelter in Place order.

Sincerely,

Zoé Berna MD

Family Physician, North Coast Family Health Center

Mendocino Coast District Hospital
