

**Proposed revisions for Health Officer Shelter in Place, version 4 (revisions to April 10, 2020)**

- 9a(iii): Allowing recreational activity within a ten mile drive from one's residence
- 9m(i): Allowing delivery of existing inventory by mail or delivery service (by the employees of the business)
- 9m(iii) removing the singing prohibition, having facial coverings readily accessible and in a safe location, such as around the person's neck (if safe) or in a pocket, for such use; and placing the burden on businesses, nonprofits venues such as churches, and schools, to prepare sufficient mitigation plans to prevent transmission, which will allow the industries to expand operations upon re-opening by the Governor
