

Hello, my mother Sharon Frazier, my husband & I would like to ask for Dog Grooming services to be deemed as Essential. We have 2 dogs that are groomed regularly by Blue Ribbon Groomers. Our Schnauzers have been going there for about 10 years. This breed has hair instead of fur that grows and gets matted if left un-clipped. They also get nail & ear grooming. They were ready for their maintenance cuts at the time of the closure now they are really getting matted beards, paws and belly's which is very uncomfortable and I will have to resort to clipping them and I have no idea what I'm doing, or how to do it safely.

Please include Pet Grooming Services as Essential. Our Groomers are highly trained & educated the owner is regularly taking continuing education and updating sanitation equipment and I trust her & her team implicitly with our pet-children.

In Health & Good Taste

Shannon
