

To whom it may concern.

I would like to share my thoughts and support of re-opening of camping on Mendocino Coast. I truly believe that they would be more than happy to follow any regulations you put in place to keep guests safe. I think that camping is much safer than even grocery shopping these days, and I really think that we all deserve to get out of our houses and enjoy the outdoors in a safe way. And the owners of the campgrounds deserve our support.

Thank you,
