

Hi Board,

The county's Fire Safe Councils serve a great purpose and I request that you fund them to the amount they requested or at least to last years funding amount. I know you are having a challenging time with the budget given the corona virus and all. Fire season is upon us and we need all the support we can get to not have that be a run away issue. The fire safe councils work around the county is invaluable.

Thank you for your attention and work to have a thriving Mendocino County.

Best,

Maggie Watson
