- = Not Allowed, ZC = Zoning Clearance, AP = Administrative Permit, Minor UP = Minor Use Permit, Major UP = Major Use Permit

\*1 Parcels in the RR-5 zoning district must have a minimum parcel size of five (5) acres.

\*2 A parcel that is located in a zoning district that allows commercial cultivation and has a lot area between three and one-half (3.5) and five (5) acres, and that shares at least fifty percent (50%) of its boundaries with parcels five (5) acres in size or larger, may apply for and be granted permit types 1, 1-B and 4 following the issuance of an Administrative Permit pursuant to section 20.242.070(C).

\*3 A parcel that is located in a zoning district that allows commercial cultivation and has a lot area between seven (7) and ten (10) acres, and that shares at least fifty percent (50%) of its boundaries with parcels ten (10) acres in size or larger, may apply for and be granted permit types 2 and 2-B following the issuance of an Administrative Permit pursuant to section 20.242.070(C).

\*4 Existing cultivation sites in the FL and TPZ zoning districts that were previously enrolled in a permit program pursuant to the County's Chapter 9.31 shall be required to obtain a zoning clearance unless the applicant seeks to expand beyond the size previously cultivated under such permit program.

\*5 Parcels in Industrial zoning districts are not subject to a minimum parcel area.
