Hi, Collin

I am confident that you will find a storage solution for the trailer that satisfies local codes regarding storage of vehicles. Angie, has received a compliant and is following through with her work as a Code Enforcement Officer. It is the PBS's understanding that the Albion Street property is in violation of local codes, as explained in the notice you received.

PBS staff is available to discuss how the property owner would like to comply with local codes, including regulation of off-street storage of trailers in the Historical District. Would you like to schedule time with me during the week of October 10? I apologize for the delay, but this would be earliest that I am available.

Thank you, J.

Hi Juliana,
Angie sent this over today. Who can I speak with in your absence to make sure she knows I am in compliance?
Thanks,
Collin

Subject: Occupied RV violation

Mr. Maxwell,

I understand you've been communicating via email with Juliana Cherry. The issue of the recreational vehicle is a code violation located at 45270 Albion St. in Mendocino.

I have attached a Notice of Violation and will also send it regular mail. Any questions regarding approval from the MHRB should be directed to Juliana.

Thank you

Angie Hamilton
