

My name is Lisa Christgau & I own the property directly across the street from Collin Maxwell.
My house sits at 45217 Albion Street & I am very concerned about the scope of the project he wants to develop.

I am concerned about the street parking, fire risk without appropriate setbacks, the potential drain on our water & that it will not fit in with the size of neighboring homes.

I am against any large scale project he is seeking to build.

Thank you,

Lisa Christgau
