

I support the Hazardous Vegetation and Rubbish Abatement Ordinance.

Although we are careful to clear our property every year by removing dead, fallen material and weed whacking, the owner of the property next door to us does not. This puts our house in jeopardy as well as the whole neighborhood.

A lot of the empty lots in Brooktrails are owned by people who don't live in the area and therefore do nothing for their upkeep. This makes Brooktrails an extreme fire hazard.

This is a vitally important issue.

I appreciate your consideration in the matter.

Thank you,

Kathleen Ferri-Taylor
