

MENDOLAKE FOOD HUB

WHAT WE DO

A PROJECT OF NORTH COAST OPPORTUNITIES (NCO)

Our mission to increase the economic viability of local farms & increase food access in our community has expanded to meet the pressing need of our community for fresh, nutritious food during the COVID-19 crisis.

RELIEF BOXES

We select the freshest, healthy produce for our weekly boxes. Each offering showcases the unique flavors of the season. We deliver boxes directly to families in need or our local food banks free of cost. From 5/15 to 6/30, the Food Hub delivered over 1,200 produce boxes.

FRESH LOCAL FOOD DELIVERED TO YOUR DOOR

The Food Hub launched a new home delivery service in March with the Shelter-In-Place order. Individuals & families can now purchase the freshest, highest quality produce directly from local, small-scale, sustainable farmers and food producers.
