Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

Growing up, my mom ran an after school and childcare program at the JCC in San Francisco. I spent all my time there and saw the background of what it took to provide quality childcare. Now as a parent myself, I have had my children in home-based childcare, preschool and now that they are older in ASES after-school program. I have experienced the challenges of childcare first hand. In my job with the Mendocino County HHSA, EFAS Family Outreach Unit, I work with families who are searching for childcare so they can work, so they can maintain housing, so they can parent. Childcare is such an important and under-appreciated resource for all parents.
