

Honorable Supervisors,

I first came to our beautiful county in 1973 and loved it immediately.. Watching the BOS struggle to frame good policy around cannabis cultivation, I empathize with the citizens trying to understand the regulations. Therefore, I am writing to support the recommendations made by MCA as submitted in advance of the 10/13/2020 Supervisors meeting on the county Cannabis Program.

Please support these recommendations and let us move forward into a new prosperity and health for our community and the earth.

Thank you,

Maureen Martin
