

Honorable Supervisors,

I am writing to support the recommendations made by MCA as submitted in advance of the 10/13/2020 Supervisors meeting on the county Cannabis Program.

I suffer from a rare genetic disease which has no cure and no medicines are available to treat my myriad of symptoms, but cannabis use (smoking and eating) allows me to function and be a vital part of our Community.

I'm basically home bound without it, and since I can't grow my own "medicine" here in Fort Bragg due to a ridiculous local regulation, I rely upon the Counties Cannabis Farmers for my supply.

Please honor the recommendations the MCA has presented to you, we'll All benefit from this.

Thank you,

Derek Hoyle -  
Retired Chair, City of Fort Bragg Planning Commission 2011-2017
