

10/13/20

Dear Supervisors,

I strongly urge you to support the MCA recommendations of Agenda Item 3b at the BOS meeting today, 10/13/20, the Equity Grant. We as a community can benefit greatly from acknowledging the fact that a great number of our people suffered in various ways from the war on drugs. You, as the Board of Supervisors, have an opportunity today to right some of those wrongs. You can help give these same people a leg up to enter into and/or stay in the regulated cannabis industry. You have a responsibility to get this one right and to administer it impeccably. Equity.....let's never forget where we came from and where we are going, TOGETHER.

Peace,
