to Whom it may Consern,

My name is Beau and im in 6th grade. When the coronavirus came to my school it got shut down. For a while I was able to pick up copies of my homework.

Then the school said I had to finish my classes online. I dont have enough WIFI to do my class work. I haven't been able to do my zoom meetings. I miss my friends, and teacher.

I would really like to talk to my friends and see how they have been. on this side of Pine Mountain the internet does not work.
