Dear Sir or Madam:

This letter is in regards to my neighbor of 12 years, Steve Thaler, who has been in the cannabis industry during that entire period. I couldn't ask for a better neighbor.

I heartily approve of his mendo-blendo business next door, and always have found him a very professional and ethical business man.

If you have any questions I would be pleased if you would call me at 707-485-5826 or mail me at 391 Milani Dr.

Sincerely,

Bert Milder
