Dear Honorable Board:

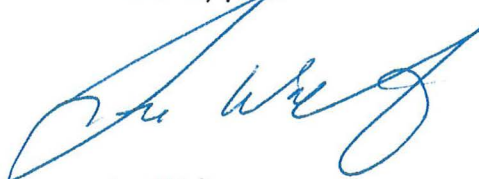

Re: Reinstate Lee Welty to the Albion Little River Fire
Protection District Board

I am a district board member for the Albion Little River Fire Protection District. I was appointed in January of 2019. It has come to my attention that I was elected to complete the term of the board member that I replaced instead of a complete term and I needed to be placed on the election Ballot in order to continue as treasurer of the Board. I was told that this matter would be resolved without my input however; recently I was advised that a letter from me petitioning the Board of Supervisors would be needed.

My fellow district members and I would both like my position to continue and I petition the board to have me placed on the Board for the full term.

Thank you for your consideration.

Sincerely yours

Lee Welty
