

Honorable Supervisors,

I am writing in support of MCA's Memo dated 12/06/2020 regarding Item 5i on the agenda for the meeting on Tuesday 12/08/2020. Classifying cannabis as agriculture has the potential to solve many of the problems facing legal cultivators in our county. That being said all avenues must be pursued to find a resolution to the county's CEQA problem which is preventing local legal cannabis cultivators from obtaining an annual state license.

Sincerely,

Brandon Wheeler
