MEMORANDUM

DATE: JANUARY 26, 2021

TO: HONORABLE BOARD OF SUPERVISORS

FROM: RUSSELL FORD, PLANNER III
DEPARTMENT OF PLANNING & BUILDING SERVICES

RE: ADOPTION OF ROAD NAME: RN_2020-0011, CERISE ROAD

A request to adopt the name *Lower Right Road* was submitted to this Department on August 8, 2020 by the Anderson Valley Community Services District (AVCSD) as part of an ongoing effort to address confusing or complex road issues within their district. The AVCSD believes that assignment of a road name here will help clarify future EMS response to the homes in this area.

The road in question is located on the south side of Deer Meadows Road (private), 1.5± miles northeast of its intersection with County Road 150-A (CR 150-A). The road serves approximately four parcels and otherwise meets the minimum requirements for road naming found in MCC Sec. 18.16.070. Letters were sent to property owners on or around October 8th 2020 stating the Department's intention to request adoption of the name *Lower Right Road*. Letters were also sent to responsible agencies, including the Elections/Clerk/Recorder, Sheriff's Office, Department of Transportation, Information Services, CALFIRE, Environmental Health, AVCSD, and the Boonville Post Office. Response received from the property owners suggested using the name *Cerise Road* instead. The Department has no objection to the name and recirculated the request to agencies. No objections or recommendations for denial were subsequently received. Following the additional comment period, the request was updated to reflect *Cerise Road* as the preferred name.

Staff recommends approval of the name *Cerise Road* and subsequent re-addressing of the affected parcels.
