

Dear Honorable Supervisors-

Our family farm is writing today to express support for the phase 3 cultivation ordinance. It has been refreshing to see forward progress from the Cannabis Ad Hoc Committee and we commend Mr Haschak and Mr Williams on their continuing efforts. Our current phase 1 ordinance is broken beyond repair and phase 3 may provide a possible route to an Annual State permit for existing operators.

Furthermore we would like to state we support the forthcoming MCA memo addressing these issues. We also support reasonable regulations for personal cultivation of cannabis, and that the BoS honor the rights of adults to cultivate small quantities of cannabis, as is consistent with Prop 64 and California state law.

Thank you for your time and we look forward to Monday's meeting.

Sincerely,

Brandon Wheeler
