Dear Mendocino County Board of Supervisors,

I oppose the changes proposed by Supervisors Haschak and Williams in item 3b eliminating or reducing current restrictions to medicinal and adult-use cannabis cultivation in residential neighborhoods.

This is a huge mistake and if you pass this you are passing on protection of the rights of residents of this county. We need the restrictions we have in place now!!

I urge all Board members to again reject these proposals and to protect our residential neighborhoods.

Sincerely,

Susan C Era,
39 year resident of Mendocino County
