1. **INDEPENDENT CONTRACTOR:** No relationship of employer and employee is created by this Agreement; it being understood and agreed that CONTRACTOR is an Independent Contractor. CONTRACTOR is not the agent or employee of the COUNTY in any capacity whatsoever, and COUNTY shall not be liable for any acts or omissions by CONTRACTOR nor for any obligations or liabilities incurred by CONTRACTOR.

CONTRACTOR shall have no claim under this Agreement or otherwise, for seniority, vacation time, vacation pay, sick leave, personal time off, overtime, health insurance medical care, hospital care, retirement benefits, social security, disability, Workers' Compensation, or unemployment insurance benefits, civil service protection, or employee benefits of any kind.

CONTRACTOR shall be solely liable for and obligated to pay directly all applicable payroll taxes (including federal and state income taxes) or contributions for unemployment insurance or old age pensions or annuities which are imposed by any governmental entity in connection with the labor used or which are measured by wages, salaries or other remuneration paid to its officers, agents or employees and agrees to indemnify and hold COUNTY harmless from any and all liability which COUNTY may incur because of CONTRACTOR's failure to pay such amounts.

In carrying out the work contemplated herein, CONTRACTOR shall comply with all applicable federal and state workers' compensation and liability laws and regulations with respect to the officers, agents and/or employees conducting and participating in the work; and agrees that such officers, agents, and/or employees will be considered as Independent Contractors and shall not be treated or considered in any way as officers, agents and/or employees of COUNTY.

CONTRACTOR does, by this Agreement, agree to perform his/her said work and functions at all times in strict accordance with all applicable federal, state and COUNTY laws, including but not limited to prevailing wage laws, ordinances, regulations, titles, departmental procedures and currently approved methods and practices in his/her field and that the sole interest of COUNTY is to ensure that said service shall be performed and rendered in a competent, efficient, timely and satisfactory manner and in accordance with the standards required by the COUNTY agency concerned.

Notwithstanding the foregoing, if the COUNTY determines that pursuant to state and federal law CONTRACTOR is an employee for purposes of income tax withholding, COUNTY may upon two (2) week's written notice to CONTRACTOR, withhold from payments to CONTRACTOR hereunder federal and state income taxes and pay said sums to the federal and state governments.

2. **INDEMNIFICATION:** To the furthest extent permitted by law (including without limitation California Civil Code sections 2782 and 2782.8, if applicable), CONTRACTOR shall assume the defense of, indemnify, and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, demands, damages, costs, liabilities, and losses whatsoever alleged to be occurring or resulting in connection with the CONTRACTOR'S performance or its obligations under this AGREEMENT, unless arising out of the sole negligence or willful misconduct of COUNTY. "CONTRACTOR'S performance" includes CONTRACTOR'S action or inaction and the action or inaction of CONTRACTOR'S officers, employees, agents and subcontractors.

CONTRACTOR affirms that s/he is aware of the provisions of Section 3700 of the California Labor Code which requires every employer to be insured against liability for the Workers' Compensation or to undertake self-insurance in accordance with the provisions of the Code and CONTRACTOR further assures that s/he will comply with such provisions before commencing the performance of work under this Agreement. CONTRACTOR shall furnish to COUNTY certificate(s) of insurance evidencing Worker's Compensation Insurance coverage to cover its employees, and CONTRACTOR shall require all subcontractors similarly to provide Workers' Compensation Insurance as required by the Labor Code of the State of California for all of subcontractors' employees.

CONTRACTOR further warrants and represents that it knows of no allegations, claims, or threatened claims that the CONTRACTOR PRODUCTS provided to COUNTY under this Agreement infringe any patent, copyright, trademark or other proprietary right. In the event that any third party asserts a claim of infringement against the COUNTY relating to a CONTRACTOR PRODUCT, CONTRACTOR shall indemnify and defend the COUNTY pursuant to Paragraph 2 of this AGREEMENT

In the case of any such claim of infringement, CONTRACTOR shall either, at its option, (1) procure for COUNTY the right to continue using the CONTRACTOR Products; or (2) replace or modify the CONTRACTOR Products so that that they become non-infringing, but equivalent in functionality and performance.

33. **ELECTRONIC COPIES:** The parties agree that an electronic copy, including facsimile copy, email, or scanned copy of the executed Agreement, shall be deemed, and shall have the same legal force and effect as, an original document.
34. **COOPERATION WITH COUNTY:** CONTRACTOR shall cooperate with COUNTY and COUNTY staff in the performance of all work hereunder.
35. **PERFORMANCE STANDARD:** CONTRACTOR shall perform all work hereunder in a manner consistent with the level of competency and standard of care normally observed by a person practicing in CONTRACTOR's profession. COUNTY has relied upon the professional ability and training of CONTRACTOR as a material inducement to enter into this Agreement. CONTRACTOR hereby agrees to provide all services under this Agreement in accordance with generally accepted professional practices and standards of care, as well as the

requirements of applicable Federal, State, and local laws, it being understood that acceptance of CONTRACTOR 's work by COUNTY shall not operate as a waiver or release. If COUNTY determines that any of CONTRACTOR 's work is not in accordance with such level of competency and standard of care, COUNTY, in its sole discretion, shall have the right to do any or all of the following: (a) require CONTRACTOR to meet with COUNTY to review the quality of the work and resolve matters of concern; (b) require CONTRACTOR to repeat the work at no additional charge until it is satisfactory; (c) terminate this Agreement pursuant to the provisions of paragraph 19 (Termination) or (d) pursue any and all other remedies at law or in equity.

36. ATTORNEYS' FEES: In any action to enforce or interpret the terms of this agreement, including but not limited to any action for declaratory relief, each party shall be solely responsible for and bear its own attorneys' fees, regardless of which party prevails.

("PHI"). Therefore, if Business Associate is functioning as a business associate to Covered Entity, Business Associate agrees to the following terms and conditions set forth in this HIPAA Business Associate Agreement.

In the event any individual delivers directly to Business Associate a request for amendment to PHI, Business Associate shall within two (2) days forward such request to Covered Entity.
11. **Documentation of Disclosures.** Business Associate agrees to document disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. § 164.528.
12. **Accounting of Disclosures.** Within five (5) days of notice by Covered Entity to Business Associate that it has received a request for an accounting of disclosures of PHI regarding an individual during the six (6) years prior to the date on which the accounting was requested, Business Associate shall make available to Covered Entity information to permit Covered Entity to respond to the request for an accounting of disclosures of PHI, as required by 45 C.F.R. § 164.528. In the case of an electronic health record maintained or hosted by Business Associate on behalf of Covered Entity, the accounting period shall be three (3) years and the accounting shall include disclosures for treatment, payment and healthcare operations, in accordance with the applicable effective date of Section 13402(a) of HITECH. Business Associate shall notify the Covered Entity upon receipt of such a request for access by the State or Secretary, and shall provide the Covered Entity with a copy of the request as well as a copy of all materials disclosed.
16. **Breach of Contract by Business Associate.** In addition to any other rights Covered Entity may have in the Relationship, this Agreement or by operation of law or in equity, Covered Entity may i) immediately terminate the Relationship if Covered Entity determines that Business Associate has violated a material term of this Agreement, or ii) at Covered Entity's option, permit Business Associate to cure or end any such violation within the time specified by Covered Entity. Covered Entity's

option to have cured a breach of this Agreement shall not be construed as a waiver of any other rights Covered Entity has in the Relationship, this Agreement or by operation of law or in equity.

17. **Effect of Termination of Relationship.** Upon the termination of the Relationship or this Agreement for any reason, Business Associate shall return to Covered Entity or, at Covered Entity's direction, destroy all PHI received from Covered Entity that Business Associate maintains in any form, recorded on any medium, or stored in any storage system, unless said information has been de-identified and is no longer PHI. This provision shall apply to PHI that is in the possession of Business Associates or agents of Business Associate. Business Associate shall retain no copies of the PHI. Business Associate shall remain bound by the provisions of this Agreement, even after termination of the Relationship or the Agreement, until such time as all PHI has been returned, de-identified or otherwise destroyed as provided in this Section.
18. **Injunctive Relief.** Business Associate stipulates that its unauthorized use or disclosure of PHI while performing services pursuant to this Agreement would cause irreparable harm to Covered Entity, and in such event, Covered Entity shall be entitled to institute proceedings in any court of competent jurisdiction to obtain damages and injunctive relief.

21. **Owner of PHI.** Under no circumstances shall Business Associate be deemed in any respect to be the owner of any PHI used or disclosed by or to Business Associate by Covered Entity.

22. **Third Party Rights.** The terms of this Agreement do not grant any rights to any parties other than Business Associate and Covered Entity.

7. PROVISIONS RELATING TO DATA

- A. "Data" as used in this Contract means recorded information, regardless of form or characteristics, of a scientific or technical nature. It may, for example, document research, experimental, developmental or engineering work; or be usable or be used to define a design or process; or support a premise or conclusion asserted in any deliverable document called for by this Contract. The data may be graphic or pictorial delineations in media, such as drawings or photographs, charts, tables, mathematical modes, collections or extrapolations of data or information, etc. It may be in machine form, as punched cards, magnetic tape, computer printouts, or may be retained in computer memory.
- B. "Generated data" is that data, which a Contractor has collected, collated, recorded, deduced, read out or postulated for utilization in the performance of this Contract. Any electronic data processing program, model or software system developed or substantially modified by the Contractor in the performance of this Contract at State expense, together with complete documentation thereof, shall be treated in the same manner as generated data.
- C. "Deliverable data" is that data which under terms of this Contract is required to be delivered to the State. Such data shall be property of the State.
- D. Prior to the expiration of any legally required retention period and before destroying any data, Contractor shall notify the State of any such contemplated action; and State may within 30 days of said notification determine whether or not this data shall be further preserved. The State shall pay the expense of further preserving this data. State shall have unrestricted reasonable access to the data that is preserved in accordance with this Contract.
- E. Contractor shall use best efforts to furnish competent witnesses or to identify such competent witnesses to testify in any court of law regarding data used in or generated under the performance of this Contract.

8. APPROVAL OF PRODUCT

Unless otherwise specified in Exhibit A, each product to be approved under this Contract shall be approved by the Contract Manager. The State's determination as to satisfactory work shall be final absent fraud or mistake.

9. SUBSTITUTIONS

Contractor's key personnel as indicated in its Proposal may not be substituted without Contract Manager's prior written approval.

10. NOTICE

Notice to either party shall be given by first class mail properly addressed, postage fully prepaid, to the address listed in Exhibit A for each respective party. Such notice shall be effective when received as indicated by post office records or if deemed undeliverable by post office, such notice shall be effective nevertheless 15 days after mailing. Alternatively, notice may be given by personal delivery by any means whatsoever to the party, and such notice shall be deemed effective when delivered.

11. WAIVER

No waiver of any breach of this Contract shall be held to be a waiver of any other or subsequent breach. All remedies afforded in this Contract shall be taken and construed as cumulative; that is, in addition to every other remedy provided therein or by law. The failure of State to enforce at any time the provisions of this Contract, or to require at any time performance by the Contractor of any of the provisions, shall in no way be construed to be a waiver of such provisions not to affect the validity of this Contract or the right of State to enforce said provisions.

12. GRATUITIES AND CONTINGENCY FEES

The State, by written notice to the Contractor, may terminate the right of Contractor to proceed under this Contract if it is found, after notice and hearing by the State, that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the State with a view toward securing a contract or securing favorable treatment with respect to the awarding, amending, or performing of such contract.

In the event this Contract is terminated as provided in the paragraph above, State shall be entitled (a) to pursue the same remedies against Contractor as it could pursue in the event of the breach of the Contract by the Contractor, and (b) as a predetermined amount of liquidated damages, to exemplary damages in an amount which shall not be less than three times the cost incurred by the Contractor in providing any such gratuities to any such officer or employee.

The rights and remedies of the State provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

The Contractor warrants by execution of this Contract that no person or selling agency has been employed or retained to solicit or secure this Contract for a commission, percentage, brokerage or contingent fee, excepting bona fide employees of Contractor, for the purpose of securing business. For breach or violation of this warranty, the State shall have the right to annul this Contract without liability, paying only for the values of the work actually returned, or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

13. WORKERS' COMPENSATION

Contractor hereby warrants that it carries and shall maintain in full force and effect during the full term of this contract and any extensions to said term, sufficient and adequate Worker's Compensation Insurance for all of its employees who shall be engaged in the performance of this Contract and agrees to furnish to State satisfactory evidence thereof at any time the State may request the same.

14. CONTRACT IS COMPLETE

Other than as specified herein, no document or communication passing between the parties hereto shall be deemed a part of this Contract.

15. CAPTIONS

The clause headings appearing in this Contract have been inserted for the purpose of convenience and ready reference. They do not purport to and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they pertain.

16. PUBLIC HEARINGS

If public hearings on the subject matter dealt with in this Contract are held within one year from the contract expiration date, Contractor shall make available to testify the personnel assigned to this Contract at the hourly rates specified in the Contractor's proposed budget. State shall reimburse Contractor for travel of said personnel at the contract rates for such testimony as may be requested by State.

17. FORCE MAJEURE

Neither the State nor the Contractor shall be deemed to be in default in the performance of the terms of this Contract if either party is prevented from performing the terms of this Contract by causes beyond its control, including without being limited to: acts of God; interference, rulings or decision by municipal, Federal, State or other governmental agencies, boards or commissions; any laws and/or regulations of such municipal, State, Federal, or other governmental bodies; or any catastrophe resulting from flood, fire, explosion, or other causes beyond the control of the defaulting party. If any of the stated contingencies occur, the party delayed by force majeure shall immediately give the other party written notice of the cause of delay. The party delayed by force majeure shall use reasonable diligence to correct the cause of the delay, if correctable.

18. PERMITS AND LICENSES

The Contractor shall procure and keep in full force and effect during the term of this Contract all permits, registrations and licenses necessary to accomplish the work specified in this Contract, and give all notices necessary and incident to the lawful prosecution of the work.

The Contractor shall keep informed of, observe, comply with, and cause all of its agents and employees to observe and to comply with all prevailing Federal, State, and local laws, and rules and regulations made pursuant to said Federal, State, and local laws, which in any way affect the conduct of the work of this Contract. If any conflict arises between provisions of the plans and specifications of this Contract and any such law above referred to, then the Contractor shall immediately notify the State in writing.

19. LITIGATION

The State, promptly after receiving notice thereof, shall notify the Contractor in writing of the commencement of any claim, suit, or action against the State or its officers or employees for which the Contractor must provide indemnification under this Contract.

(Rev. 12/13/16)

The failure of the State to give such notice, information, authorization or assistance shall not relieve the Contractor of its indemnification obligations. The Contractor shall immediately notify the State of any claim or action against it which affects, or may affect, this Contract, the terms and conditions hereunder, or the State, and shall take such action with respect to said claim or action which is consistent with the terms of this Contract and the interest of the State.

20. DISPUTES

Contractor shall first discuss and attempt to resolve any dispute arising under or relating to the performance of this Contract, which is not disposed of by the Contract, informally with the State Contract Manager. If the dispute cannot be disposed of at this level, then the dispute shall be decided by the MHSOAC's Executive Director. All issues pertaining to this dispute shall be submitted in written statements and addressed to the Executive Director, MHSOAC, 1325 J Street, Suite 1700, Sacramento, California 95814. Such written notice must contain the Contract Number. The decision of the Executive Director of the MHSOAC shall be final and binding to all parties. Within ten days of receipt of the written grievance report from the Contractor, the Executive Director, or his/her designee, shall meet with the Contractor and Project Manager for the purposes of resolving the dispute. The decision of the Executive Director shall be final. During the dispute process the Contractor shall proceed diligently with the performance of the Contract. Neither the pendency of a dispute, nor its consideration by the Executive Director, shall excuse the Contractor from full and timely performance of the services required in accordance with the terms of the contract.

Notwithstanding any other provisions of this Contract, after recourse to the procedure set forth in the paragraph above, any controversy or claim arising out of or relating to this Contract or breach thereof shall be settled by arbitration at the election of either party in accordance with California Public Contract Code Section 10240 et. seq. and judgment upon the award rendered by the arbitration may be entered in any court having jurisdiction thereof.

21. EVALUATION OF CONTRACTOR'S PERFORMANCE

The Contractor's performance under this Contract shall be evaluated by the State after completion of the contract. A copy of the written evaluation shall be maintained in the contract file and may be submitted to the Office of Legal Services, Department of General Services.

23. INSPECTION AND ENFORCEMENT

- A. From time to time, the State may inspect the facilities, systems, books and records of Contractor to monitor compliance with the Contract.
- B. Contractor shall promptly remedy any violation of any provision of the Contract and shall certify the same to the MHSOAC in writing.
- C. The fact that the State inspects, or fails to inspect, or has the right to inspect Contractor's facilities, systems, and procedures does not relieve Contractor of its responsibility to comply with the Contract.
- D. The State's failure to detect or the State's detection of any unsatisfactory practices, but failure to notify Contractor or require Contractor's remediation of the unsatisfactory practices does not constitute acceptance of such practice or a waiver of the State's enforcement rights under the Contract.

24. USE OF STATE FUNDS

Contractor, including its officers and members, shall not use funds received from the MHSOAC pursuant to this contract to support or pay for costs or expenses related to the following:

- A. Campaigning or other partisan activities to advocate for either the election or defeat of any candidate for elective office, or for or against the passage of any proposition or ballot measure; or,
- B. Lobbying for either the passage or defeat of any legislation.
