Subject: Mendocino County Fire Chiefs Association Members TOT Funds Distribution for 2021

Lloyd B. Weer, Auditor-Controller, Mendocino County

Dear Sir,

I understand you may have been in touch recently with several Fire Chiefs. At their request I am writing this letter to verify the decision by the county fire chiefs at the meeting, January 13, 2021, concerning the subject of TOT funds distribution.

Attached to this email you will find the minutes of that meeting. Under OLD BUSINESS Item B, on page 4, you will find a record of that discussion.

To summarize, this year's funds to be distributed evenly amongst the 19 listed active members. (a list to follow)

In future years, the chiefs reserve the right to adjust the allocation to a reserve fund controlled by the Chiefs Association for special projects.

Additionally, the list may be revised to include new active members as needed that have been participating through the prior year or delete any that decide not to participate.
