Carmel Angelo, CEO
Mendocino County

Dear Carmel,

The Bureau of Justice Assistance (BJA) has recently released their solicitation for federal fiscal year 2020 State Criminal Alien Assistance Program (SCAAP). The 2020 Program reimburses states and units of local government for certain types of costs due incarceration of undocumented criminal aliens during the reporting period of July 1, 2018, through June 30, 2019.

The filing deadline is March 15, 2021. Exact award information will not be available until later in the year, the application puts us in running for an award.

The application is being prepared this week. However, we do not have time to complete the application and put it before the Board of Supervisors prior to the deadline date for filing. Under County Policy #25, Section One, Number 4, if there is a time restriction that limits the department from going to the Board, the CEO may approve signing as long as the Department takes the item to the Board at their next available meeting.

I am requesting your approval for my signature on the application so we may submit it, meet the deadline, and receive the funding.

I appreciate your consideration.

Respectfully,

Matthew Kendall
Sheriff
