

**Urge the Mendocino County Board of Supervisors to
end their contract with Wildlife Services and
implement
a non-lethal coexistence program**

Every year for nearly nine decades, Wildlife Services has killed thousands of wild animals with traps, guns, and other cruel methods, largely at the behest of private ranchers and other agricultural interests. This flies in the face of the Public Trust Doctrine which maintains that wildlife is held in the public trust and that we all have a say in how our wildlife is treated.
