

California is known for its nature. Please terminate contracts with USDA and their indiscriminate killing. The wildlife is California , shouldn't be destroyed for any amount of money.

Wildlife Services.” In fact, Wildlife Services doesn't serve wildlife—it serves ranching and agricultural interests. In 2020, California Wildlife Services killed 24,264 wild native animals statewide, including 56 black bears, 39 mountain lions ~ and 3,252 coyotes!

Leave room for nature, the future is at stake.

Thank you.
