Comparable Sales #1 and #2 are the closest to the Subject Property. I included three more comparable sales:

#1 Is inferior in size and quality, the location and views are comparable (Bluff). It has a significantly larger garage.
#2 Is inferior in quality and location. Has some ocean views through trees and shrubs, is within walking distance of the subject property. (See Adjustments above)

The subject property is a good quality custom craftsman style residence in good condition. It sits on the ocean. There is little market data for these types of properties.

It is the opinion of the Assessor, based on the marked data available there is no justification for a reduction in
