

Dear Board of Supervisors,

Let me be brief:

- 1) NO cannabis expansion
  - 2) NO cannabis conversion of rangeland
  - 3) NO on the 10% or 5% or any %
  - 4) NO more truck traffic
  - 5) NO more sucking up water needed elsewhere
- Require environmental reviews on everything before taking any expansive action.  
Let the voters decide.

Thank you,  
Judy Shelly
