

Hello Mendocino County Board of Supervisors,

Thank you for your consideration of this issue. I write to support the memos submitted by CCAG and MCA. The vast majority of Mendocino residents don't support a 10% expansion for phase three. Even if you think it is a good idea, I ask that you listen to the majority of your constituents, and instead include a smaller more measured level of expansion not tied to parcel size.

Best regards,

Alex Cummings
