RE: ADOPTION OF RESOLUTION ESTABLISHING THE TOTAL MILEAGE OF COUNTY  
MAINTAINED ROADS AT 1,016.86 MILES AS OF DECEMBER 31, 2020 (COUNTY  
WIDE)

Honorable Board Members:

Applicable provisions of the California Streets and Highways Code require that in May of each year, each County shall submit to the California Department of Transportation (Caltrans) any changes to the adopted County maintained road mileage during the previous calendar year. In compliance with these provisions, the Mendocino County Department of Transportation (MCDOT) has prepared the required documentation.

This year's Resolution shows there were no changes in the mileage of County Maintained Roads in the County of Mendocino during the year ending December 31, 2020.

Upon adoption of the Resolution, MCDOT will forward the required certifications to Caltrans for its review and processing.

Sincerely,

HOWARD N. DASHIELL  
Director of Transportation
