

## Disaster Recovery - Awarded Grants

Project	Grant Program	Awarding Agency	Award Amount	Non-federal Share	Project Total	Non-Federal Share/Match Provider	Status	Project Description
Technical assistance and grant development for Redwood Valley County Water District projects	Sonoma Clean Power	Sonoma Clean Power	\$ 100,000	\$ -	\$ 100,000		4/9/18- Fund received	For Redwood Valley County Water District projects, including grant development and technical assistance
Technical assistance for County projects	Sonoma Clean Power	Sonoma Clean Power	\$ 50,000	\$ -	\$ 50,000		4/24/18- Fund received	For county projects and technical assistance
Laughlin Post-wildfire Soil Stabilization	Non-competitive HMGP DR4344	FEMA through CalOES	\$ 35,400	\$ 11,800	\$ 47,200	County, through funds from Sonoma Clean Power	11/20/18- Project completed	Seeding of Laughlin Ridge to stabilize the burned hillside above & below roadway that leads to the county's communication tower
Critical and unmet needs for fire survivors	Residence Emergency Disaster Assistance	Golden State Finance Authority (GSFA)	\$ 254,854	\$ -	\$ 254,854		12/31/2019-All funds distributed to fire survivors, project completed	Max amount of \$2,500 to individual households who suffered loss of income or displaced by the fire due to destroyed or damaged residences
The Road to Recovery: Redwood Complex Fire Restoration – Implementation	Watershed Restoration & Delta Water Quality and Ecosystem Restoration Grant Program	Prop 1 through CA Department of Fish & Wildlife (CDFW)	\$ 656,902	\$ -	\$ 656,902		Project completed 3/31/2021	Erosion prevention control on prioritized sites based on assessment and inventory of sediment sources. This project will install culverts and reshape road sections to shed water without transporting excess sediment for approximately 20 road miles. These roads are rural and unimproved in the West Fork Russian River watershed and were affected by the Redwood Complex Fire
The Road to Recovery: Redwood Complex Fire Restoration – Planning	Watershed Restoration & Delta Water Quality and Ecosystem Restoration Grant Program	Prop 1 through CA Department of Fish & Wildlife (CDFW)	\$ 88,382	\$ -	\$ 88,382		Project completed 3/31/2020	Prepare restoration plans for 240 acres of riparian and hill slope reforestation
Redwood Complex Fire Recovery: Hazardous Tree Removal	CAL FIRE CA Climate Investment Fire Prevention Grant	CAL FIRE	\$ 1,001,450	\$ -	\$ 1,001,450		Project active (12/7/18--3/15/2022), on the ground work completed, waiting to close out	Remove hazardous trees on private properties within the fire footprint with \$200 cost share from property owners, up to \$600
Redwood Valley Water District Infrastructure Retrofit - Phase I	HMGP DR-4344	FEMA through CalOES	\$ 494,554	\$ 164,851	\$ 659,405	\$1.9M from DWR below, \$97,082 from RV Water District	Phase I completed, Phase I total project \$7,988,325, 9/18/19- Phase I amended to 3/31/20, Phase I completed, waiting for fed environmental review to approve Phase II	Design of new and replacement water lines and service laterals within the service area of the RVCWD to improve the seismic resiliency of the water system, identify and replace existing low code 3/4-inch diameter water laterals with 2016 California Residential Code-compliant 1-inch diameter water service laterals
Match for Redwood Valley Water District Infrastructure Project- All Phases		State general fund, through Department of Water Resources (DWR)	\$ 1,900,000	\$ -			Project active, no funds may be requested after 12/31/22	Match for Redwood Valley Water District Infrastructure Project

Project	Grant Program	Awarding Agency	Award Amount	Non-federal Share	Project Total	Non-Federal Share/Match Provider	Status	Project Description
Disaster Recovery and Economic Resilience Planning Project	EDA Disaster Supplemental	EDA	\$ 397,180	\$ 104,000	\$ 501,180	County	Project active (4/1/19--12/31/21)	To fund an economic recovery coordinator for 2 years, activities include selection of an economic recovery coordinator, development of a county-wide economic recovery and resiliency plan, development of a broadband network implementation plan, and establishment of a digital learning program
Western Hills Fuel Break	Fire Prevention Grant Program	CAL FIRE	\$ 1,652,200	\$ -	\$ 1,652,200	n/a	Project active (7/31/19--3/15/22)	Construct a 5.6-mile long shaded fuel break along the west side of the Ukiah Valley, a 4.2-mile long fire break extension on the westerly ridgelines above the Ukiah Valley and will reduce fuel loads along 6.6 miles of public and private roads in the State Responsibility Area to improve ingress and egress. Also curbside chipping for up to 200 homes in WUI.
Mendocino County Community Evacuation Planning Pilot Project	Better Together Giving Program	PG&E	\$ 50,000	\$ -	\$ 50,000	n/a	10/18/19-submitted application, 11/4/19-payment received	Develop a pilot program in which community groups will work directly with local emergency personnel to develop community-specific evacuation plans through a workshop format.
FY 2019 Public Safety Power Shutoff (PSPS) Resiliency Allocation	FY 2019 Public Safety Power Shutoff (PSPS) Resiliency Allocation	CalOES	\$ 372,962	\$ -	\$ 372,962	n/a	10/25/19-Notification of Subrecipient Allocation received, 10/29/19-Payment of \$372,962 received	Period of Performance: 7/1/19-10/31/22, eligible activities limited to equipment, plans, public education, one-time costs for identifying and equipping resource centers. Not eligible: response costs associated w/ electric disruption, EOC staffing, security/law enforcement/fire response, overtime.
General Plan Safety Element Update	HMGP DR-4353	FEMA through CalOES	\$ 124,372	\$ 41,457	\$ 165,829	County Administrative Fee	Project active, completion date 1/24/22	Update the Safety Element in the General Plan to incorporate the County's Hazard Mitigation Plan, completion in Jan 2022
Update Hazard Mitigation Plan	HMGP DR-4353	FEMA through CalOES	\$ 187,500	\$ 62,500	\$ 250,000	County General fund	Project active, completion date 9/24/21	Update the County's Hazard Mitigation Plan, which expires in the end of 2019, project completion Sept 2021, final plan needs to be completed Sept 2020
Ignition Resistant Construction Phase I	HMGP DR-4353 (moved to DR-4308)	FEMA through CalOES	\$ 304,089	\$ 101,363	\$ 405,453	Property owners' cost share	9/4/18-Submitted application, 4/16/19-waitlisted by CalOES, 8/20/20-FEMA approved Phase I, Phase II pending upon completion of Phase I, Project active	A rebate program for property owners who install Class A roofs and vents in their homes
Update Zoning Code	Local Early Action Planning Grants Program (LEAP)	HCD	\$ 150,000	\$ -	\$ 150,000	n/a	project active, funds must be expended by 12/31/2023	Update zoning code, rezone 211 parcels in Ukiah Valley Area Plan, will result in more parcels for housing

Project	Grant Program	Awarding Agency	Award Amount	Non-federal Share	Project Total	Non-Federal Share/Match Provider	Status	Project Description
Back-up Generators	Community Facilities Program	USDA	\$ 70,000	\$ 130,001	\$ 200,001	PSPS 2019 Resiliency Allocation	9/21/2020-Received award, Design complete but not bid ready, getting Board approval in February 2021	Grant will cover 35% of the cost for admin center generators, County can do site prep work now
FY 2020 Public Safety Power Shutoff (PSPS) Resiliency Allocation	Fiscal Year 2020 Community Power Resiliency Allocation	CalOES	\$ 186,481	\$ -	\$ 186,481	n/a	Period of performance 7/1/2020-10/31/2021	At least fifty percent \$93,241 of award must be utilized to support food storage
Multifamily Housing Program (MHP)	CDBG-DR MHP	HCD	\$ 6,591,778	\$ -	\$ 6,491,778	n/a	1/31/20-NOI submitted, 11/19/20-resubmitted due diligence, working on project solicitation (RFP)	Eligible activities: new construction/reconstruction, renovation/rehab of affordable multi-family housing, min 8 units, HCD will allow project in Ukiah, County will need to prove movement from RV to Ukiah
Mendocino County Transitional Housing Facility	Project Homekey	HCD	\$ 8,325,500	\$ -	\$ 8,325,500	n/a	Acquisition completed	Purchase and rehabilitate the 56-room Best Western Orchard Inn, operate the entire facility as Interim Housing, and then – within 10 years of acquisition – convert approximately 30 of the facility's units to Permanent Housing.
Project Homekey Operating Subsidy	Project Homekey Operating Subsidy	Enterprise	\$ 1,344,000	\$ -	\$ 1,344,000	n/a	Payment received	Operation subsidies for Project Homekey site, all grant to be expended by 6/30/2022
Covid-19 Emergency Response Grant	Covid-19 Emergency Response Grant	CMSP Governing Board	\$ 241,793	\$ -	\$ 241,793	n/a	Project active through 7/15/21	To address needs of low-income populations with or at risk of Covid-19, \$75,000 for supportive quarantine services, \$150,000 (match for Project Roomkey) for non profit for emergency response (NCO's People Helping People), and \$16,793 for admin.
IT Emergency Communication Projects	CDBG-DR MIT	HCD	\$ 5,404,000	\$ 5,404,000	\$ 10,808,000	TBD, possible previous board allocations, PG&E settlement funds	12/18/20-NOI submitted, 3/18/21-\$5,404,000 allocated, waiting for standard agreement to submit applications for projects	Includes 4 IT projects: 911 bunker, upgrade microwave system, on-site improvements including new equipment shelter structures, and replace existing failing power line poles

Total	\$ 29,983,397	\$ 6,019,972	\$ 34,003,370
-------	---------------	--------------	---------------

OTHER AWARDS

Project	Provider	Project Description	Status
Fire Cameras	Scripps Institution, UC San Diego Regents	Scripps will provide 5 fire cameras on County microwave towers	11/14/19-MOU with CAL FIRE executed

## Disaster Recovery - Pending Grant Applications

Project	Grant Program	Awarding Agency	Award Amount	Non-Federal Share	Project Total	Non-Federal Share/Match Provider	Status	Project Description
Redwood Valley Water District Infrastructure Retrofit - Phase II	HMGP DR-4344	FEMA through CalOES	\$ 5,496,689	\$ 1,832,230	\$ 7,328,919	DWR	Waiting for NEPA review to initiate Phase II	Phase II: Construction Engineering and Construction
Planning and Building Staffing	HMGP DR-4353	FEMA through CalOES	\$ 206,250	\$ 68,750	\$ 275,000	permit revenue	9/4/18-Submitted application, 4/16/19-waitlisted by CalOES	To fund 1 inspector and 1 planner for 12 months to focus only on recovery
Mendocino County Early Warning Sirens	HMGP DR-4382 (resubmitted to 4407)	FEMA through CalOES	\$ 129,161	\$ 43,054	\$ 172,214	\$20,000 from fire district, the remaining from County in-kind	4/18/19-subapplication submitted, 8/16/19- project waitlisted by CalOES, 2/24/21- after confirming with fire districts, resubmitted with just Redwood Valley-Capella Fire District	Conduct a feasibility/pilot study to determine siren type, mounting requirements, power sources, coordination with existing alert systems, and effective locations for the installation of early warning sirens at locations recommended in the feasibility study. Preliminary analysis and budgeting anticipates installations of 4 sirens in Redwood Valley-Capella Fire District
Mendocino County Defensible Space Assistance Program	HMGP DR-4382	FEMA through CalOES	\$ 314,602	\$ 116,640	\$ 431,242	property owners contributions	4/18/19-Subapplication submitted, 8/16/19- CalOES submitted to FEMA for consideration, RFI requested, due 11/20/20	Create a defensible space assistance program which will reimburse a portion of the homeowners cost to create or maintain defensible space around their homes. Higher level of reimbursement to disabled/elderly under specific income level
Orr Springs Fuels Reduction	HMGP DR-4558	FEMA through CalOES	\$ 636,000	\$ 212,000	\$ 848,000	TBD-General Fund for now	Subapplication submitted 3/5/2021	Hazardous fuels reduction work along Orr Springs Road/Comptche-Ukiah Road to improve ingress and egress and aid in evacuations and access during fire events. The project contains two main components: alignment one, fuels clearing of approximately 10.6 miles of road from the City of Ukiah to the community of Orr Springs on Orr Springs Road, and alignment two, fuels clearing of approximately 14.2 miles of road from the community of Comptche to the Town of Mendocino on Comptche-Ukiah Road
Homekey Phase II	CDBG-CV2&3	HCD	\$ 1,060,000	\$ -	\$ 1,060,000	n/a	Application now due 5/7/21, public hearing to the BOS on 3/23/21 postponed	Convert remaining 26 rooms to permanent housing, includes adding 2nd sink & kitchenettes, upgrade to electrical systems, lighting, flooring, may include fencing in northwest corner to replace existing landscape
Mendocino County Community Wildfire Protection Plan Update	CDBG-Mit PPS	HCD	TBD	TBD	TBD	TBD	Submitted 3/5/21	Update Mendocino County Community Wildfire Protection Plan that was last completed by Mendocino County Fire Safe Council
Non-federal match for General Plan Safety Element Update	CDBG-Mit PPS	HCD	\$ 41,457	\$ -	\$ 41,457	n/a	Submitted 3/5/21	25% match for the General Plan Safety Element Update, 75% of project already funded by HMGP
Non-federal match for Local Hazard Mitigation Plan Update	CDBG-Mit PPS	HCD	\$ 62,500	\$ -	\$ 62,500	n/a	Submitted 3/5/21	25% match for the LHMP Update, 75% of project already funded by HMGP

Project	Grant Program	Awarding Agency	Award Amount	Non-Federal Share	Project Total	Non-Federal Share/Match Provider	Status	Project Description
Fire Hazard Abatement Ordinance Implementation Planning	CDBG-Mit PPS	HCD	\$ 295,000	\$ -	\$ 295,000	n/a	Submitted 3/5/21	Research, prepare plans, identify actions, and trial, the eventual implementation of an efficient code-enforcement program to actualize the new hazardous abatement ordinance. This funding would also allow County to begin gathering data on the extent of the need for abatement and simultaneously develop and test a system of addressing the problem through community training, education and facilitated action.
TBD	Fire Prevention Grants Program	CAL FIRE	TBD	\$ -	TBD	n/a	Applications open 3/10/21, due 5/19/21, in the process of discussing projects	CAL FIRE's Fire Prevention Grants Program provides funding for local projects and activities that address the risk of wildfire, reduce wildfire potential, and increase community resiliency. Funded activities include hazardous fuel reduction, fire prevention planning, and fire prevention education with an emphasis on improving public health and safety while reducing greenhouse gas emissions
Mendocino County Sea Level Rise Resilience Strategy	National Coastal Resilience Fund 2021	National Fish & Wildlife Foundation	\$ 120,000	\$ 120,000	\$ 240,000	TBD	Preproposal submitted 4/7/21, full proposal due 6/23/21	1 to 1 match, project to be completed in 2 years, conduct a multi-jurisdictional planning process to assess and plan for potential impacts from sea level rise (SLR) on the coastal areas of Mendocino County. The outcome of this process will be a Mendocino County Sea Level Rise Resilience Strategy which will A) summarize existing conditions on the Mendocino County coast including environmental resources, infrastructure, and areas where flooding issues already exist such as US Highway 1 near the Garcia River and the Navarro River, B) review existing models and other resources analyzing the potential magnitude of sea level rise along the Mendocino County coast and summarize potential SLR impacts under multiple climate change scenarios, and C) establish and prioritize a list of projects along the Mendocino County coast which will improve resiliency for coastal communities and resources.
TBD	Forest Health Program	CAL FIRE	TBD	TBD	TBD	TBD	Application due 5/19/21	2020-21 and 2021-22 solicitation
TBD	Forest Health & Wildfire Resilience Program	State Coastal Conservancy	TBD	TBD	TBD	TBD	application due 4/28/21	Planning projects not eligible, CEQA need to be completed, ready-to-implement projects that reduce the risk of wildfire on public and protected lands, no max or min amounts for this funding

<b>Total</b>	<b>\$ 8,361,659</b>	<b>\$ 2,392,674</b>	<b>\$ 10,754,332</b>
