Dear Supervisors:

Under the terms of Resolution No. 15-132 the Historical Society of Mendocino County, the beneficiary of the Toney Trust, requests that the following funds be transferred from the Trust to reimburse the Society for Capital Improvements as listed below. The funds continue to support capital improvements to the archival building and the historic home that have been paid for by the Society.

The two categories of capital expenses are:

The first category is for exterior landscaping paving stones.	\$ 1,665.10
The second category is restoration of the historic Held home to its vintage condition.*	<u>\$23,372.00</u>
Total request:	\$25,037.10

At the Supervisors' convenience, I would like to invite you to come and tour the buildings to see the continued work we are doing. We are especially proud of the new scanner which will allow us to digitize and preserve tens of thousands of pages of Mendocino County records, some of which date back 150 years.

With respect,

Tim Buckner, Executive Director
Historical Society of Mendocino County

*These expenses include painting, floor refinishing, etc.
