

Dear Board of Supervisors,

I am a resident of the 5th district, and I'm writing to express my support for the recommendation to audit the Mendocino County Sheriff's Office and other related Public Protection budget areas. I believe that an audit will help the Mendocino County Board of Supervisors make more informed spending and budgeting decisions. For example, as a teacher, I believe that instead of spending more money on increasing the sheriff's salary and budget, we should be using the money to fund education and mental health services for this county.

Sincerely,

Isabel Kuniholm
