

I am opposed to the drastic budget cut to the MCFSC from the current \$100,000 to \$25,000. The MCFSC will soon be announced as California's 2nd State Assembly District Nonprofit of the Year. They have proved to be a very effective agency. This season is the worst ever for fire danger. We need to do all we can to try to be fire safe. This is not the time to cut funding for the MCFSC.

Sincerely,
