

My name is Shannon DeMuth. I live in Brooktrails above Willits in woods that are thick with fire fuel and downed trees! We depend on Firewise to keep us informed, provide problem solving interventions like chipping brush, and providing a vital service of networking with other agencies coordinating our safety in prevention and in the event of an evacuation and fire! I support maintaining the MCFSC budget at \$100,000 - and depend on the programs provided by MCFSC and the local FSC's are vital to our County's public safety. I encourage You to take a drive-through the critical areas that will be great threat to fire in our county before taking 3/4 of our funding!

Sincerely,

Shannon Demuth
