August 4, 2021

Mendocino County Board of Supervisors  
County of Mendocino

Dear Board Members:

As you have been made aware, I intend to retire prior to the expiration of my term of office. Your Board will be required to appoint someone to fill the remainder of my term. This appointment term will be approximately 16 months.

Chamise Cubbison has been the Assistant Auditor-Controller since January 2018. She has been a County employee for 13 years. Prior to working for the County, her work experience included fiscal roles in private sector with for profit, non-profit and local governments. During her 13 years as a County employee, she has learned so much about how our County's finances and budgets work, and she has developed excellent working relationships with departmental personnel and County leadership.

Chamise has been an active participant of the County's Leadership Initiative since its inception and a founding member of the Mendocino County Executive Leadership Team. She recently obtained her California Association of Counties Institute for Excellence in County Government Executive Credential and has attended several Government Finance Officers Association accounting intensive trainings and national conferences.

Chamise holds a bachelor's degree in Business Management with an emphasis in Accounting and has the required experience to qualify for the Auditor-Controller position.

I wholeheartedly recommend the appointment of Chamise Cubbison to fill the unexpired term of Auditor-Controller, beginning September 5, 2021.

Sincerely,

**LLOYD B. WEER**  
Auditor-Controller
