ASSISTANCE AMONG THE COUNTY OF MENDOCINO, CITY OF UKIAH, CITY OF
FORT BRAGG AND OTHER SIGNATORY CITIES OR SPECIAL DISTRICTS**

This Mutual Aid Agreement ("Agreement") is made and entered into by and between the County of Mendocino ("County"), the City of Ukiah ("Ukiah"), the City of Fort Bragg ("Fort Bragg") and other signatory cities or special districts in Mendocino County which may be referred to herein individually as "Party" and collectively as the "Parties." RECITALS

1. The Parties recognize that all water supplies in Mendocino County are potentially vulnerable to natural and manmade disasters, such as earthquakes, fires, pandemics, droughts and other emergencies, and desire to establish a mutual aid plan during an emergency to maximize the utilization of available water supplies, distribution facilities, equipment, and personnel to conserve, allocate, and distribute water equitably and sustain the safe and reliable operation of wholesale and retail water systems and wells and water systems serving individual residents and businesses in the County and avoid any catastrophic interruption to normal production and/or delivery facilities.

2. Mutual aid is defined as emergency assistance given from one public agency to another, under a prearranged agreement.

3. It is desirable that the Parties should be free to voluntarily aid and assist each other in a timely manner both in preparation for an emergency and in response to any emergency situation, or extraordinary or unusual circumstance, such as in the event of an earthquake, flood, fire, sabotage, riot, pandemic, drought or other emergency in the County (hereinafter referred to as an "emergency" or "unforeseen circumstance").

4. Such assistance may include the interchange of materials, resources, including potable, non-potable and recycled water (hereafter "resources"), facilities, services, equipment, and personnel to cope with the problems which would arise in the event of a major emergency or unforeseen circumstances.

5. Materials, resources, facilities, services, equipment and/or personnel are provided on the basis that the providing agency can continue operations and simultaneously meet the health and safety needs of its residents and businesses and the receiving agency has, or is about to, exhaust resources required to meet the health and safety needs of its residents and businesses.

6. The Parties are each willing to assume risks due to the use of resources, equipment, materials and personnel furnished by a Party; and

7. To the extent provided herein, the Parties agree to indemnify and hold each other harmless from any liability for injury, illness, or property damage incurred by a Party or its employees, officers or agents, or by third parties in the course of, or as a result of a Party's activities performed pursuant to this agreement.

8. This Agreement is not intended as a joint use or joint purchasing program.

NOW, THEREFORE, in consideration of the mutual promises and covenants herein, the Parties agree as follows:

AGREEMENT

1. MUTUAL AID: ADOPTION OF EMERGENCY PLANS. Subject to the terms and conditions of this Agreement, the Parties agree to furnish to each other resources, facilities, personnel, and services to respond to emergencies and unforeseen circumstances in accordance with duly adopted or hereafter duly adopted emergency plans. The Party making a request for mutual aid shall be called a "Recipient" and the Party giving aid and assistance shall be called a "Provider."

1.1 Emergency Plan. The Parties shall develop emergency plans ("Emergency Plans") providing for the effective mobilization of their resources, facilities, and services to respond to any type of emergency.

1.2 Voluntary Participation. No Party to this Agreement shall be liable for its failure or inability to provide, or attempt to provide, assistance to any other Party. It is the intent of the Parties to provide assistance on a strictly voluntary basis. No Party shall be required to lend any items or to unreasonably deplete its own resources, facilities, and services in furnishing such mutual aid.

2. INTENT OF PROVIDER AND RECIPIENT. It is the intent hereof that each Recipient will use the procedures herein established only for emergency situations or unforeseen circumstances requiring resources beyond its existing resources and only for as long as necessary to respond to those situations or circumstances. Each Provider should assist other Parties to the extent it can do so without detriment to its own needs or impairing its ability to perform its own normal work requirements. If the Provider determines, in its sole and absolute discretion, that its needs are greater than those of the Recipient's, the Provider has first priority and sole authority over its own equipment, personnel, resources and materials.

3. REQUEST FOR AID OR ASSISTANCE. If a Party has an emergency or unforeseen circumstance, it may make a request to any other Party or Parties for emergency assistance under this Agreement. The requesting Party will explain the nature of the circumstance and the type of resources, materials, equipment or personnel expected to be needed.

3.1 Documentation. All mutual aid assistance, whether given or received, shall be documented either in advance of providing/receiving assistance, or after the emergency

assistance is no longer required, as these records may be needed for federal and state emergency assistance funding application requirements and must be available to the Provider/Recipient within 30 days of the resolution of the emergency. The Parties shall develop a standard documentation form as soon as possible after this agreement is executed by the Original Signatory Parties.

3.1.1 Documentation shall include one or more of the following, as applicable: (1) photographs of damage and repairs; (2) documentation of insufficient resources; (3) documentation of the type or amount of equipment, resources, or materials provided; (4) notes on damage and repairs; (5) clippings of press reports; (6) a record of all expenditures, including timecards and logs documenting equipment hours; (7) a record of all pertinent conversations about specific damages and/or repairs to damaged facilities; (8) retained receipts, invoices, statements, and other relevant paperwork for services rendered by a contractor or vendor; and (9) any other documents reasonably requested by a Provider or a Recipient or any state or federal agency regulating the emergency service or reimbursing the costs thereof.

3.1.2 Books, documents, papers, accounting records, and other evidence pertaining to costs incurred or compensation provided under this Agreement shall be maintained by each Party and made available at all reasonable times for four (4) years from the date of payment for inspection by another Party or state or federal agencies regulating or reimbursing expenses incurred in providing mutual aid under this Agreement.

3.2 Procedures for Providers. A Provider may require a Recipient to comply with procedures adopted by the Provider in its Emergency Plan to document requests made hereunder.

4. CONTROL SAFETY SUPERVISION AND RECALL. It is expressly understood that the Recipient, in whose jurisdiction the incident requiring mutual aid has occurred, shall remain in charge for such incident, including the schedule of the work and the direction and supervision of such personnel and equipment provided to it through the operation of this Agreement. Safe work procedures and practices shall be observed by a Provider. Employees lending assistance to a Recipient will not be asked to perform tasks which could lead to reasonably foreseeable injury or illness. Equipment shall be operated according to standards and procedures, if any, provided by the Provider at the time such equipment is provided. A Provider may recall any equipment, personnel or unused materials or supplies at any time, but shall give the Recipient as much notice as practical prior to such recall.

5. CHARGES FOR MATERIALS, RESOURCES, PERSONNEL, AND EQUIPMENT.

5.1 Materials. All materials borrowed but not utilized shall be returned to the Provider in the same condition as they were when they were borrowed. The Recipient shall pay the Provider either the purchase or replacement cost (whichever is higher) for all materials

obtained, utilized, and not returned under this Agreement with the prior approval of the Provider, the Recipient may replace materials and return them to the site of the Provider as soon as practical instead of making payments.

5.2 Resources. The Recipient shall pay the Provider for the use of resources in an amount agreed upon by the Recipient and Provider. Such charge shall be approximately the fair market value but it should reflect a return to the Provider sufficient to reimburse for the costs of production or treatment.

5.3 Personnel. The Recipient shall pay the Provider's cost of salaries for the time spent by all personnel in assisting the Recipient, including a provision for overtime, vacation, holidays, sick leave, insurance, retirement, payroll taxes, and other direct salary costs. No overhead costs shall be included.

5.4 Equipment and Facilities. The Recipient shall pay the Provider for the use of equipment and facilities in an amount agreed upon by the Recipient and Provider. Such charge shall be approximately the fair market value- rental charge but it should reflect a return to the Provider sufficient to reimburse for the costs of ownership and operation. Unless otherwise arranged, the default rate for equipment is the current FEMA reimbursement rate.

The Recipient shall return all equipment and facilities in undamaged condition, subject to reasonable wear and tear. If equipment and/or facilities are damaged, the Recipient shall pay the cost of repair. If equipment is damaged beyond repair, it shall be replaced by the Recipient with new or comparable used equipment, acceptable to the Provider. The Recipient shall not be responsible to repair pre-existing damage on equipment or facilities.

5.5 Invoicing and Payment. The Provider shall provide the Recipient a detailed invoice for the cost of the mutual aid services. The invoice will include assigned personnel classification, dates and hours worked, hourly billing rates, equipment used, materials provided, and a summary of total costs incurred. The Recipient shall notify the Provider of any dispute of the information in the invoice within thirty (30) days of receipt. The Parties will cooperate to resolve any disputes before resorting to legal remedies.

The Recipient shall pay the Provider within sixty (60) days of receipt of the invoice for any undisputed charges or within fifteen (15) days after resolution of any disputed charges. By mutual consent, the Provider and Recipient may agree to an alternate payment schedule and/or charges in consideration of federal and/or state reimbursements or other factors.

Recipient shall assume on behalf of the Provider, the defense of any Claims in which liability is sought to be imposed on the Provider or shall reimburse the Provider for all reasonable costs of defending or responding to such action, claim or demand, including reasonable attorneys' fees. Notwithstanding the above, Recipient shall have no obligation to indemnify, defend, or hold harmless the Indemnified Parties to the extent the Claims are caused by the negligence, recklessness, or willful misconduct of an Indemnified Party.
