Strategic Plan Key Components

STRATEGIC PILLARS – The few mid-term focus areas (< 5 years) that are most important in defining success. Sometimes called strategic initiatives or strategic priorities, they should build alignment and provide shape to the plan.

GOALS – The broad outcomes you want to achieve. The destination. Based on an important idea or desired future.

OBJECTIVES – The measure of the progress needed to get to the destination. A concrete stepping-stone for achieving the goal. Can be described in specific measurable terms or as a milestone to mark headway.

ACTION PLANS – The specific tactics or actions that will help you implement and achieve your objectives. Often includes dates and owners.
